

MAINTENANCE ESSENTIALS PROTM SERVICE OPTIONS

MAINTENANCE MANAGEMENT

Many of our clients struggle with lack of time and resources which can make implementing any new solution harder than it should be. To help maximize the success of your MaintenanceEssentials Pro implementation, SchoolDude has partnered with national consulting firm, EMG, to offer data collection and PM schedule creation services, along with optional success consulting services.

DATA COLLECTION

One of the greatest success factors for an educational institution implementing a CMMS is quality of data for the system. We will come onsite to gather key equipment data and import it into your account, delivering you with a ready-to-use, turnkey preventive maintenance program.

What's Included?

- ▶ Gather information on all major facility equipment including (but not limited to): heating, electrical, building automation systems, plumbing, and life safety equipment
- ▶ Information gathered on all equipment includes (but not limited to): building name, system name (PM classification), square footage of building, manufacturer name, serial number, model number, equipment item number, etc. This service and what is inventoried will be tailored to the unique needs of each institution
- ▶ Asset inventory and equipment data will be imported into your MaintenanceEssentials Pro account

PM SCHEDULE CREATION

A preventive maintenance (PM) program can reduce reactive and emergency work by 60%. We will help set up your PM program for success.

What's Included?

- ▶ Review PM task check-off lists with client
- ▶ Experts will create and generate PM schedules from the asset inventory gathered during Data Collection
- ▶ Your institution will indicate the start date, schedule frequency, and which technicians/contractors should be assigned to each PM schedule
- ▶ Populate PM schedules into your MaintenanceEssentials Pro account

SUCCESS CONSULTING SERVICES

Success consulting services offer clients the right combination of resources, support, and training. Clients that take advantage of these services often achieve a 50% higher return on their SchoolDude investment.

What's Included?

- ▶ Department training by a SchoolDude expert for you to maximize use of your solutions
- ▶ Training on how to use preventive maintenance program, generate reports, and update PM schedules based on future updates
- ▶ Key Performance Indicators for your institution will be reviewed for you to continually benchmark your ongoing performance and progress

At-a-Glance

How does it work?

We put professional experts at your site to gather asset inventory and import it into your account, delivering a turnkey solution

What is the cost?

Pricing is based on the square footage of your facilities
