THE SMALL SCHOOLDUDE NATION

Almost 2,100 clients with 5 to 5,000 students use SchoolDude every day to help them do more with less. 200 of these districts have 0-500 students and 1,100 of these districts have 500-2,500 students. This represents 182,712 education professionals and 3,411,877 students. Educational institutions both large and small are using our solutions to automate the work order process, monitor inventory usage, schedule preventive maintenance, simplify facility usage scheduling, track technology assets, and much more.

The best part? SchoolDude is one of the only solutions on the market built solely for education. As a result, the features in the products are specific to your processes and needs. SchoolDude's solutions are operating in over 6,000 educational institutions across the nation and around the globe.

Top 5 reasons Small Schools choose SchoolDude:

Ease of Use

SchoolDude Support

Affordability

Suitable for Use Case

Training/Consulting
